2. Report

1) [Member]

- Dr. Ebata joined JCPRG as a postdoc researcher.

2) [WG]

- Chair persons in each WG.
 - Compilation WG: Furutachi -> Vidya
 - Evaluation WG: Furutachi -> Odsuren
 - IT WG: Tsubakihara, Oogi -> Ebata
 - RIKEN WG: Furutachi -> Makinaga

3) [Member]

- Dr. Ebata joined JCPRG as a postdoc researcher.

4) [Other]

- Seminar
 - Quantum Mechanics
 - NRDF Seminar
- Budget
 - Hokkaido University: Research and Education
 - RIKEN: Employment
 - KAKENHI(Database): Database

3. Event Schedule

2013		
Apr. 22-26	NRDC	Wien

FY2013 JCPRG Strategy Meeting -Plans and Discussions (April 19, 2013)

16:00-16:05	Opening Address	Ayano Makinaga
16:05-16:20	Report on JCPRG FY2012	Masayuki Aikawa
16:20-16:35	Overview and Collaborations	Masayuki Aikawa
16:35-16:55	JCPRG-RIKEN Nuclear Data Collaboration	Ayano Makinaga
16:55-17:15	Work plan of the compilation activity	Vidya Devi
17:15-17:30	Report and Plan of the Evaluation Activit	Myagmarjav Odsuren
17:30-17:40	Break and Free discussions	
17:40-17:55	Evaluation Activity	Ichinkhorloo Dagvadorj
17:55-18:10	Toward a new utilization system of nuclear database on the "Webble World"	Shuichiro Ebata
18:10-18:25	Report on the compilation activity in fiscal 2012 and suggestions to activities in fiscal 2013	Naoya Furutachi
18:25-18:40	Plan of 2013:Nuclear Evaluation and NRDF Activities	Kiyoshi Kato
18:40-18:55	NRDF:Tools	Yoshiharu Hirabayashi
18:55-19:10	A view of Project plan	Toshiyuki Katayama
19:10-19:25	"New NRDF"-Compilation,Editor and Search System	Hiroshi Noto
19:25-19:40	On the Medical Physicist Training Course	Masaaki Kimura
19:40-19:55	NRDF/XML-Achievement and future plan	Masaki Chiba
19:55-20:00	Closing	Ayano Makinaga

Office/Secretary

- Ayano Makinaga, Masayuki Aikawa, Kiyoshi Kato

1. Participants (in alphabetical order)

Makinaga^{a)}, Aikawa, Chiba, Dagvadorj, Ebata, Furutachi, Hirabayashi, Katayama, Kimura, Noto, Odsuren, Takivayeva, Vidya

2. Report

1) [Member] (Aikawa)

- Dr. Takacs in ATOMKI will stay in July as a MML contract professor.

2) [NRDC/AASPP] (Aikawa)

- Aikawa joined NRDC2013 (Apr. 23-25, 2013) in IAEA. NRDC2014 will be held in Slovakia (May 6-9, 2014).
- EXFOR Workshop will be held in IAEA (Aug., 2013). Makinaga will join.

3) [Compilation] (Vidya)

- Journal Survey

- The journal survey of following Journals was completed.

Journal	Volume	Issue
JP/G	40	4-5
NIM/A	708-715	
NIM/B	266-270	
NP/A	899-906	
NST	50	3-4
PLB	720	1-5
	721	1-5
PRC	87	2-3
PRL	110	10-15
PTP	128	2-6

- In this survey we found 13 papers in NIM/B. These papers are reporting the data from Tohoku Univ. (CYRIC) and Brussels. In which 11 papers had been already compiled and 2 papers are in compilation process by ATOMKI. So In future we have to compile these papers in NRDF.
- Compilation of the data produced in Tohoku Univ. by ATOMKI group is compiling by themselves. We have to check the status to IAEA.

4) [Web] (Makinaga)

- The websites of “Strategy meeting FY2013” and “Kaku To Hito(核と人)” were opened.
- The website of “Compilation To Do Table” was regularly updated.

5) [NRDF] (Noto, Chiba)

- The new NRDF format using XML was discussed.
- The JCPRG 40 year anniversary report was discussed.

6) [RIKEN] (Makinaga)

- The 1st RNC-JCPRG joint workshop will be held on Aug. 8-9, 2013 in RIKEN.

7) [Evaluation] (Ichinkhorloo)

- Kato and Ichinkhorloo will join the ICCP-V in Ulaanbaatar, Mongolia on Jun. 3-6, 2013.
 - Ichinkhorloo(Oral): Microscopic calculations of cross sections for $6,7\text{Li}+n$ reactions
 - Ichinkhorloo(Poster): Compilation and Evaluation of Nuclear Reaction Data
 - Kato(Oral): Scattering Problems in the Complex Scaling Method

- Odsuren and Ebata will join the APPC12 in Chiba, Japan, on Jul. 14-19, 2013.
 - Ebata(Oral): Pairing effect in nuclear fusion reaction
 - Odsuren(Poster): Resonance and Continuum Contributions for the Scattering Phase Shift

8) [IT] (Ebata)

- Learning Silverlight and constructing a simple manual about Webble.

9) [Other]

- “Kaku To Hito(核と人)” WS was held in Hokkaido University (26-27, May, 2013).

3. Discussion

1) [Annual Report]

- Editor: Aikawa, Makinaga, Ichinkhorloo
- Dead line of the draft: As soon as possible (deadline is already over.)
- Dead line of the Referees checking: End of Jun.
- Preparation of publication: End of Jul.
- Publish: End of Aug.

2. Report

1) [Member] (Aikawa)

- Dr. Furutachi joined JCPRG from Jul. 3, 2013 to Mar. 31, 2014.

2) [MML] (Aikawa)

- Dr. Takács Sándor (ATOMKI), a new contract professor, joined JCPRG from Jul. 2 to 31, 2013. His seminar will be held on Jul. 8, 2013.

3) [IAEA/NRDC] (Aikawa)

- Two students of Al-Farabi Kazakh National University will visit Hokkaido University from Aug. 10 to 19, 2013.

4) [Asian Collaboration] (Aikawa)

- Abstracts were submitted to the 4th Asian Nuclear Reaction Database Development Workshop.
 - Aikawa et al.: International and Asian Collaboration on Nuclear Data
 - Kato et al.:
 - Makinaga et al.: JCPRG-RIKEN Nuclear Data Project and Asian Collaborations
 - Odsuren et al.: SCATTERING PHASE SHIFTS OF TWO-BODY SYSTEMS IN THE COMPLEX SCALING METHOD

- In this survey we found one paper in NIM/B for NRDF compilation.

6) [Web] (Makinaga)

- The webpage of “RNC-JCPRG WS” was opened.
- The webpage of “Compilation To Do Table” was regularly updated.

7) [NRDF] (Noto, Chiba, Katayama, Aikawa)

- The new NRDF format using XML was discussed.
- The new EXFOR format using XML by IAEA-NDS will be reviewed.

- A sample XML for the BIB section has been developed intensively.
- The name of this project will be discussed.
- A new mailing list was created for the members of NRDF WG (nrdfwg@jcprg.org).

8) [RIKEN] (Makinaga)

- Makinaga joined the RIKEN PAC-meeting on Jun. 28-29, 2013.
- The English name of the project, “RIBF 核反応データの高度利用研究”, will be discussed.
 - RNC-JCPRG Nuclear Data Project

9) [Evaluation] (Ichinkhorloo)

- Kato and Ichinkhorloo joined the ICCP-V in Ulaanbaatar, Mongolia on Jun. 3-6, 2013.
 - Proceedings deadline: Sep. 2013

10) [IT] (Ebata)

- Learning Silverlight and constructing a simple manual about Webble.
- Ebata joined WS about computer simulation, “symmetry energy and heavy ion collisions”.

11) [Other]

- Under the Cancer Professional Training Plan provided by the Ministry of Education, Culture, Sports, Science and Technology, we could receive a budget, and hold a seminar and tour to Proton Synchrotron in Faculty of Medicine on Jun. 24, 2013.

3. Discussion

1) [Experiment]

- Collaboration with Dr. Takács (ATOMKI) is discussed.

2. Report

1) [Member]

- The MML part-time fellow (Vidya) continues until Dec. 31, 2013.
- Meruert left Sapporo for Kazakhstan and will come again next year.
- Dr. Takács Sándor, a MML guest professor from Jul. 2 to 31, 2013, had finished his work at Hokkaido University and left Sapporo for Hungary.

2) [IAEA/NRDC]

- Under the agreement with Dr. Takács Sándor (ATOMKI) and his colleagues, the application for JSPS Bilateral Joint Research Projects/Seminars (二国間交流事業共同研究) was submitted.
- Makinaga joined EXFOR Workshop on Aug. 27-30, 2013 in Vienna and had a presentation of GSYS.

3) [Asian Collaboration]

- Two students (Mr. Manas and Mr. Nurzat) from Al-Farabi Kazakh National University came and learned the operation procedure of GEANT4 from Aug. 12 to 22, 2013.
- Meetings with CA-NRDB (Kazakhstan) were held biweekly.
- The application for JSPS Core-to-Core Program (研究拠点形成事業) was submitted.
- The 4th Asian Nuclear Reaction Database Development Workshop will be held on Oct. 23-25, 2013 at Almaty, Kazakhstan.

4) [RIKEN]

- The JCPRG-RNC Joint Workshop on nuclear data was held on Aug. 8-9, 2013.
 - Aikawa submitted an article on the workshop to Nuclear Data News (Nuclear Data Division, AESJ)
- Articles of the compilation status for RIKEN Nishina Center News were submitted and appeared at No. 660 on Aug. 5, 2013 and No. 664 on Sep. 9, 2013.

5) [Compilation]

- Several PRELIM and TRANS files were transmitted.
 - Trans.E077 on Sep. 6, 2013: [New] E2409, E2410, E2416, [Revised] E2361, E2405

 - Prelim.R027 on Sep. 6, 2013: [Revised] R0001
 - Prelim.E079 on Sep. 21, 2013: [Revised] E0249, E1988, E2121
 - Prelim.E080 on Sep. 25, 2013: [New] E2434, E2435, [Revised] E2117
- New codes were suggested.
 - CP-E/153: Dictionary 236 (Quantities) - POL/DA,,ASY/PP/RES
 - CP-E/154: Dictionary 6 (Reports) - JAEA-R-
 - New codes for NRDF should also be proposed in the NRDF WG.
- An inquiry about D/E0736 from IAEA-NDS was received. Digitization of figures and conversion from NRDF to EXFOR were started.

6) [NRDF]

- A new format using XML technology is discussed.
 - The outline of the bibliography part is almost fixed.

7) [Medical Physicist Course]

- Aikawa participated in a meeting for a medical physicist course on Sep. 27, 2013.
- Seminars by Assoc. Prof. Horaguchi (Rikkyo Univ.) and Assist. Prof. Kurokawa (Juntendo Univ.) will be held on Oct. 10, 2013.

8) [Web]

- The webpage of "RNC-JCPRG WS" was updated.
- The webpage of "Compilation To Do Table" was regularly updated.

9) [Other]

- Cooperation with RCNP is discussed.
- The application for Hokkaido University Grants for the Promotion of Inter-University Exchange was succeeded to promote the collaboration between Al-Farabi Kazakh National University and Hokkaido University.
- Proceedings of ICCP-V were submitted.
 - D. Ichinkhorloo et al., "Compilation and Evaluation of Nuclear Reaction Data"
 - D. Ichinkhorloo et al., "Microscopic calculations of cross sections for ${}^{6,7}\text{Li}+n$ reactions"

- K. Kato et al., “Scattering problems in the complex scaling method”
- A seminar by Dr. Otsuka (IAEA) will be held under the support of Faculty of Science. (candidate: Dec. 16, 2013)
- JCPRG Technical Meeting is planned on Dec. 19-20, 2013 and managed by Makinaga.
- Proceedings of APPC12 were submitted.
 - S. Ebata et al., “Pairing Effects in Nuclear Fusion Reaction”
 - M. Odsuren et al., “Resonance and Continuum Contribution for the Scattering Phase Shift”
 - N. Furutachi et al., “Exotic Electromagnetic Transitions of Neutron-Rich Carbon Isotopes Studied with Extended Antisymmetrized Molecular Dynamics”
- The 2013 Symposium on Nuclear Data will be held on Nov. 14-15, 2013 at Tsuruga.

2. Report

1) [IAEA/NRDC]

- An activation experiment at ATOMKI, Hungary is continuously discussed.
 - The plan is based on the application submitted for JSPS Bilateral Joint Research Projects/Seminars (二国間交流事業共同研究).
 - It is currently planned at the beginning of Apr. 2014.

2) [Asian Collaboration]

- The following members participated and had presentations in the 4th Asian Nuclear Reaction Database Development Workshop at Almaty, Kazakhstan on Oct. 23-25, 2013.
 - Aikawa et al., International and Asian Collaboration on Nuclear Data
 - Ebata, Systematic study of electric dipole excited states utilizing the linear response method
 - Kato et al., Electro-magnetic dissociations of neutron-rich nuclei
 - Makinaga et al., JCPRG-RIKEN Nuclear Data Project and Asian Collaborations
 - Makinaga et al., Photo neutron experiment by using activation method at Hokkaido University electron linac facility
 - Odsuren et al., Scattering Phase Shifts of Two Body Systems in the Complex Scaling Method
- The following contributions were submitted for the 2013 Symposium on Nuclear Data at Tsuruga on Nov. 14-15, 2013.
 - Takibayeva et al., Recent Activity of Central Asian Nuclear Reaction Data Base and Asian Collaboration on Nuclear Reaction Data Compilation
 - Odsuren et al., Scattering Problems in Complex Scaling Method

3) [RIKEN]

- An article for Nishina Center News was submitted.

5) [Evaluation]

- Aikawa submitted for JSPS Grant-in-Aid for Young Scientists (B) (若手 B).
 - Aikawa, CDCC Analysis of Nuclear Reactions on Li Targets

6) [NRDF]

- A new XML format is almost fixed.
- The purpose of the WG will be reconfirmed among the WG members.

7) [IT]

- An exchange format between EXFOR/NRDF and PHITS is discussed with Dr. Niita (RIST).
- A plan of the development of the specific search system for medical purpose was discussed.

8) [Web]

- The compilation To Do list is regularly updated.

9) [Annual Report]

- The first full manuscript is under proofreading.

10) [Medical Physicist Course]

- Seminars by Assoc. Prof. Horaguchi (Rikkyo Univ.) and Assist. Prof. Kurokawa (Juntendo Univ.) were held on Oct. 10, 2013.

11) [Other]

- A seminar by Dr. Otsuka (IAEA) is planned to hold on Dec. 21, 2013 under the support of Faculty of Science.

 - PDF: <http://www.jcprg.org/annual/2012/>

7) [JCPRG40]

- The second meeting was held on Nov. 29, 2013.
- We will ask to write reports to related members including former ones within this year.

8) [Other]

- EXFOR master files in the following tapes are updated in the JCPRG server.
 - 1391, D090, E079, E080, L021, M068, R027
- We will employ students as a compiler and have training on Dec. 17-18, 2013.
- A poster of the seminar by Dr. Otsuka (IAEA) was prepared by the Faculty of Science.
- An announcement on Recruitment of a Post-Doctoral Fellow in JAEA was received.
- A new mailing list was prepared.
 - jcprg40@jcprg.org for editors of JCPRG History for 40 years
- Our main server (jcprg.org) must be changed. The work will start from Dec. 2, 2013.
- The next JCPRG meeting will be held on Dec. 19-20, 2013.

- On Dec. 18-21, 2013, Prof. Kim at KNU will visit us to discuss experiment and workshop.

2. Report

1) [RIKEN]

- Contributions for RIKEN Accelerator Progress Report were called. Its deadline is Jan. 23, 2014. We'll prepare and submit the manuscript for the JCPRG activity in 2013.

2) [Web]

- There is a call for application to create/modify websites in Hokkaido University. We'll apply it to modify the JCPRG website.
 - <http://jcprg.sci.hokudai.ac.jp/>

3) [JCPRG40]

- We will ask to write reports to related members including former ones within this year.

4) [Other]

- A seminar, titled as the 3rd Sci-Tech Talk, by Dr. Otsuka (IAEA) was held on Dec. 17, 2013.
- The JCPRG Technical Meeting was held on Dec. 19-20, 2013.
- The 2014 Symposium on Nuclear Data will be held in Nov 2014 at Hokkaido University.
- Our main server (jcprg.org/jcprg.sci.hokudai.ac.jp) was maintained.

2. Report

1) [Member]

- Vidya left Sapporo for India due to the expiration of her term of office at Meme Media Laboratory.

2) [Asian Collaboration]

- The following proceedings were submitted to the 4th Asian Nuclear Reaction Database Development Workshop at Almaty, Kazakhstan on Oct. 23-25, 2013.
 - M. Aikawa et al., International and Asian Collaboration on Nuclear Data
 - S. Ebata et al., Systematic Study of Electric Dipole Excited States using Linear Response Method
 - K. Kato et al., Electro-magnetic dissociation of neutron-rich nuclei
 - A. Makinaga et al., Activity of the photon induced activation experiments with 45 MeV electron linear accelerator at Hokkaido University
 - A. Makinaga et al., JCPRG-RIKEN Nuclear Data Project
 - M. Odsuren et al., Neutron-Nuclear Reaction Data Analysis at the Nuclear Research Center, National University of Mongolia
 - M. Odsuren et al., SCATTERING PHASE SHIFTS OF TWO-BODY SYSTEMS USING THE COMPLEX SCALING METHOD
- The 5th Asian Nuclear Reaction Database Development Workshop is discussed with Indian colleagues and to be held on Sep. 24-26, 2014 at Manipal University, Manipal, India.
- The application for JSPS Core-to-Core Program (研究拠点形成事業) was not accepted.

3) [RIKEN]

- The following reports were submitted to the RIKEN Accelerator Progress Report.
 - M. Aikawa et al., Nuclear data format suitable simultaneously for databases, experimentalists and users
 - M. Aikawa et al., JCPRG-RNC joint workshop on nuclear data
 - S. Ebata et al., Development of the nuclear data application software with "Webble World"
 - A. Makinaga et al., Compilation of nuclear reaction data from RIBF
 - A. Makianga et al., Systematic study of nuclear data for nuclear transmutation
- Aikawa joins a project (文科省委託研究「長寿命核分裂廃棄物の核変換データとその戦略」) lead by Prof. Sakurai (RIKEN/U. Tokyo).
- Two reports about compilation were submitted to the RIKEN Nishina Center News (No. 676 and 680).

- The conference proceedings listed on the EXFOR Compilation Control System (COCOS) on the IAEA-NDS website were surveyed.

5) [Evaluation]

- A paper was submitted to Phys. Rev. C.
 - M. Odsuren et al., Decomposition of scattering phase shifts and reaction cross sections using the complex scaling method

6) [Other]

- EXFOR master files in the following tapes are updated in the JCPRG server.
 - [Dec. 11, 2013] 3161, 1393, 2235, 1392, C132, E081, E082, G028, S017

- NRDF master files are updated in the JCPRG server.
- The application for the budget to update our website was accepted.
- A new mailing list for Kaku To Hito (核と人) was created.
 - kakutohito_j@jcprg.org
- The following mail address are unavailable due to many spam mails.
 - nrdf@jcprg.org
 - master@jcprg.org
- Aikawa will have a seminar organized by the Hokkaido Branch of AESJ on Feb. 3, 2014.
- Dr. Otsuka visited Sapporo to discuss the editor HENDEL, and also met the president of Hokkaido University to acknowledge re-organization and cooperation of JCPRG.
- The following proceedings were submitted to the 2013 Symposium on Nuclear Data at Tsuruga on Nov. 14-15, 2013.
 - Makinaga et al., Cross-section measurement in Pohang neutron experimental facility
 - Makinaga et al., Study of the γ -ray strength function in a $^{80}\text{Se}(\gamma, \gamma')$ experiment at ELBE
 - Takibayeva et al., Recent Activity of Central Asian Nuclear Reaction Data Base and Asian Collaboration on Nuclear Reaction Data Compilation
 - Odsuren et al., Scattering Problems in Complex Scaling Method: Scattering cross sections for various potential systems
- Makinaga joined the International Conference on Nuclear Physics and Gamma-ray sources for Nuclear Security and Nonproliferation (NPNSNP) at Tokai on Jan. 28-30, 2014.
 - Makinaga et al., Development of the experimental photo-nuclear reaction database in Hokkaido University Nuclear Reaction Data Center
- Kato discussed at JAEA, Oarai the collaborative research on Beryllium among researchers in Japan and Kazakhstan.

3. Discussion

1) [Asian Collaboration]

- Collaboration with Mongolia must be discussed and suggested by Odsuren.
- One of cooperation with India is to provide the editor HENDEL to the Indian compilers.

1) [Member]

- Applications of three guest professors from JAEA are under preparation.
 - Dr. Tokio Fukahori
 - Dr. Hideo Harada
 - Dr. Osamu Iwamoto
- Applications of two researchers in JCPRG were submitted.
 - Dr. Kiyoshi Kato
 - Dr. Masayuki Fujimoto
- A part-time worker for digitization will join us from Mar. 3 to Mar. 31, 2014.

2) [IAEA/NRDC]

- The application for JSPS Bilateral Joint Research Projects/Seminars (二国間交流事業 共同研究) with ATOMKI, Hungary was accepted. The project will last for two years from Apr. 2014 to Mar. 2016.
 - Aikawa will visit ATOMKI to discuss the project and to participate in an activation experiment at the beginning of Apr. 2014.
- Aikawa, Ebata and Makinaga are nominated to participate in NRDC2014 at Smolenice, Slovakia on May 6-9, 2014.
- The JCPRG part of the NRDC Network Document is under preparation.

3) [Asian Collaboration]

- The proceedings on the 4th Asian Nuclear Reaction Database Development Workshop was published as the first INDC(KAS) report.

4) [MML]

- Aikawa participated in the committee meeting on Feb. 17, 2014. The applications of one guest professor and five postdoctoral fellows were accepted.
 - Guest professor: Sandor Takacs (ATOMKI, Hungary)
 - Postdoctoral fellow: Dagvadorj Ichinkhorloo, Shuichiro Ebata, Shotaro Imai, Aiganym Sarsembayeva, and one vacancy due to declination.

5) [RIKEN]

- The project (文科省委託研究「長寿命核分裂廃棄物の核変換データとその戦略」) lead by Prof. Sakurai (U. Tokyo/RIKEN) was launched. Aikawa joined the kick-off meeting on Feb. 1, 2014 and will join a workshop on Mar. 6-8, 2014.
- A report on compilation was submitted to the RIKEN Nishina Center News (No. 685).
- Abstracts were submitted to the 2nd Conference on Advances in Radioactive Isotope Science (ARIS2014) at the Univ. of Tokyo on Jun. 1-6, 2014.

7) [NRDF]

- Some NRDF master files were corrected.

8) [Evaluation]

- Ebata joined a mini-workshop (原子核 E1 レスポンスと核物質の状態方程式) at Tokyo Institute of Technology on Feb. 24, 2014.

9) [Other]

- Aikawa gave a seminar organized by the Hokkaido Branch of AESJ on Feb. 3, 2014.
- The executive committee and the local organizing committee of the 2014 Symposium on Nuclear Data at Sapporo were created.
- We applied a budget for travel expenses to the program of Hokkaido University supported by the Cancer Professional Training Plan.
- Contribution papers were submitted to the 3rd International Workshop on State of the Art in Nuclear Cluster Physics on May 26-30, 2014.
 - M. Odsuren et al., A Resonance Problem of Low-Lying State in the ^9Be System
- EXFOR master files in the following tapes are updated in the JCPRG server.
 - [Feb. 19, 2014] 3162, 4162, A079, D092, E085, F052
- A JCPRG40 Editor meeting was held.
 - Contents were fixed.
 - The deadline of manuscripts is the end of May, 2014.

3. Discussion

1) [Web]

- A new JCPRG logo is discussed.

2) [Annual Report]

- The deadline, the end of Feb. 2014, is already over.
- Editor: Aikawa, Makinaga, +1
- Deadline of the draft: The end of Feb. 2014
