

MEMO 4-C 2/79

To : Distribution  
From : Peter Johnston  
Subject : CINDA

9th December, 1976

In preparation for the conversion of the CINDA file to a hierarchical data base structure, systematic corrections will be made at CCDN for all entries for which the reference code does not conform to the CINDA/EXFOR dictionary. All corrections will be cosmetic 'M' operations so the series numbers of the entries will not be changed. A full listing of all corrections will be sent to each centre in January, 1977.
