

Memo 4C-3/76

To: Distribution YAK 1 February 1973
HDL

From: H.D. Lemmel and J.R. Lemley

Subject: 1. Date of Next 4C Meeting
2. Updating of Manuals and Dictionaries
3. Additions to "Report on the 8th 4C Meeting."

1. Date of the Next 4C Meeting

The 9th 4C Meeting will be held from 4-8 June 1973 in Moscow. More details will follow in due course.

Because of the early date of the next Meeting, we urge all Centres to return their comments on the "Draft Report on the 8th 4C Meeting" as soon as possible. Unfortunately the copies dispatched to CCDN had not been received as of 29.1.73 and had to be replaced. We suggest that the deadline for return of comments be extended from 15 February to 1 March.

2. Updating of Manuals and Dictionaries

In order for all Centres to have sufficient experience before June with the proposals introduced at the last Meeting, it is essential that updated manual pages and dictionaries be distributed as soon as possible, but not later than about middle of March. It would be helpful if all the first-order changes which are explicitly listed in the "Draft Report on the 8th 4C Meeting" could be distributed sooner; second-order changes such as cross-references and other consequences following from the first-order changes seem to be less urgent but should also be distributed well in advance of the Meeting.

3. Additions to the "Report on the 8th 4C Meeting."

Based on Appendix 4CM/VIII/3, "Review of Unresolved Actions from the 7th 4C Meeting," and Appendix 4CM/VIII/13, "Unresolved Items from 4C-Memos," some actions remain unresolved and should be renewed. Therefore we shall make the following additions on the indicated pages of the "Draft Report on the 8th 4C Meeting":

Dr. S. Pearlstein, NNCSC (6)
Dr. V.I. Popov, CJD (6)
