

Memo 4C-3/87

To: Distribution

23 July 1973

From: J.J. Schmidt 

Subject: Memos 4C-2/41 and 4C-1/38 on
two-dimensional tables.

NDS acknowledges receipt of memo 4C-2/41.
This memo crossed with ours, 4C-3/84.

Due mainly to vacations and to other commitments
NDS will unfortunately not be in a position to send a reply
within the next three weeks to both memos (as required by
EXFOR protocol rule H6). We will study carefully both memos
and send a reply as soon as feasible.
