Memo 4C-3/127

To: Distribution
From: R. Yaghubian *Yag*
Subject: Entries 10008. and 52267.

We noticed that in the subentries 10008.002 and .003 the energy values are probably wrong by one order of magnitude.

The subentry 10008.005 includes 52267.007, .008 and part of .009 but the latter ones include more information in the data table, namely EN-RES and DATA-ERR.

We would appreciate if entry 100008. were corrected such that 52267. could be deleted.
