

Memo 4C-3/158

To: Distribution
From: G. Lammer *R*
Subject: Cinda-coverage

Enclosed you find the status of journal-coverage for the areas 3 and 4.

Concerning the reports of area 3 and 4, most issues available at the IAEA-library are regularly scanned. Therefore the coverage of reports can be assumed as being almost complete with respect to our library, whereas for the absolute completeness no criterion has been found so far.
