Price estimate for CINDA 1988

For 1987 the price per printed page was assumed as 1.10 AS *). (Price 840.- AS, total number of pages 764). As proposed at the recent NRDC Meeting, Brookhaven, October 1987, there will be no Supplement issues in 1988 and 1989, and a final Archival Issue in 1990:

<u>issues</u>	<u>estimated # of pages**)</u>	<u>estimated price per page</u>	<u>resulting sales***)</u> <u>price per year</u>
CINDA 88	640 + 80 = 720	1.20 AS*	864.- AS
CINDA 89	750 + 80 = 830	1.30 AS*	1080.- AS
Archival issue in 1990:	approx. 3500 pp	1.40 AS	4900.- AS

Also discussed but not approved was an alternative solution, i.e. to issue, in 1988 and 1989, cumulative Supplements to the current issue CINDA87:

<u>issues</u>	<u>estimated # of pages**)</u>	<u>estimated price per page</u>	<u>resulting sales***)</u> <u>price per year</u>
2. Suppl. May 1988	260 + 80 = 340	1.20	408.-
3. Suppl. May 1989 1990 as above	500 + 80 = 580	1.30	754.-

*) Compare Memo 4C-3/307 of 1987-03-09

***) 640 + 80 means: 640 pages of CINDA entries, plus 80 pages of text and tables. Compared to Memo 4C-3/307 the estimated page numbers were increased a bit.

***) The bulk order price is 50% of the quoted sales price

Note: All prices are estimates only.
