**Memo CP-C/299**

**DATE:** November 29, 2001  
**TO:** Distribution  
**FROM:** V. McLane  
**SUBJECT:** Dictionary additions

In checking the recent dictionary transmission against my archives, I found some codes missing in the NDS dictionaries for which I couldn't find a memo requesting their addition. Therefore, I am requesting their addition now. These codes already exist on former transmissions.

Dictionary 5 (Journals)

LPS            Lunar and Planetary Science Conferences, Houston, TX.  
This appears to be a journal reporting on the annual conference held each year in Houston, TX. I would prefer to leave it as a journal rather than enter each year under conferences. This seems to be cited in the form of a journal from 1991 on. Earlier ones are cited as conferences (e.g., Proc. 9<sup>th</sup> Conf. on Lunar ...).

The following is a new addition.
