

**Memo issued on behalf of  
National Nuclear Data Center  
Brookhaven National Laboratory  
USA**

**Memo CP-C/391**

**Date:** 15 November 2010  
**To:** Distribution  
**From:** O. Schwerer, V. McLane  
**Subject:** **Dictionary 24 (Data headings)  
E-DN-ERR**

We propose the addition of the data heading

E-DN-ERR Error in Outgoing Particle Energy, Reaction Ratio Denominator

This is in analogy to the existing heading E-NM-ERR (Error in Outgoing Particle Energy, Reaction Ratio Numerator).

(As we have the error for the numerator, the introduction for the denominator was to be expected and should not need special justification. It is needed now for updating entry 11976.)
