Memo CP-D/702

Date: 19 May 2011
To: Distribution
From: Naohiko Otsuka, Young-Ouk. Lee, Sung-Chul Yang
Subject: **Compilation of numerical data from the ND2010 conference (2)**
Reference: Memo CP-D/638

Because of some technical reasons, publication of ND2010 Conference Proceedings has been delayed, and accordingly NDS and ND2010 Local Organizing Committee (LOC) have postponed sending letters to authors.

Publication of the Conference Proceedings has been recently accepted as a special issue of the Journal of Korean Physical Society Volume 58. A letter to request the manuscript and numerical data will be sent to each author soon from NDS and ND2010 LOC.

Below is an example to show how each article will appear on the EXFOR Compilation Control System (EXFOR COCOS):

<http://www-nds.iaea.org/exfor-master/x4compil/>

. Papers relevant to experimental nuclear reaction data are also appended to this memo.

, e.g.,

(J , KPS , 58 , (1073) , 2011)

for the paper # 1073. The paper number will be replaced with the page number when the Conference Proceedings is published.

Note that DOI numbers will be assigned to all papers which can be retrieved through JKPS's web page (<http://www.kps.or.kr/>).
