## Memo CP-E/054

**Date:** November 30, 2004  
**To:** Distribution  
**From:** OTSUKA Naohiko  
**Subject:** Correction to Dictionary 3 (Institutes)

We are compiling data taken from a reference (M. Baba *et al.*, Nucl. Instr. and Meth. **A428** (1999) 454), in which some authors belong to the Takasaki and Tokai branches of Japan Atomic Energy Research Institute (JAERI). The experiment was done at the Takasaki branch.

Now 2JPNJAE is expanded as "JAERI, Tokai". However JAERI has 5 branches (Tokai, Naka, Takasaki, Oarai and Kansai). To apply 2JPNJAE to all branches, we propose the following correction to the expansion of 2JPNJAE (JAERI NDC agrees with this proposal):

### Dictionary 3 (Institutes)

2JPNJAE      Japan Atomic Energy Research Institute (JAERI)
