Subject: CINDA schedule for 1994

-----

Please find attached the proposed schedule for the preparation of the CINDA 94 book.

From now on, the complete CINDA books (i.e. text pages plus entries) will be produced from the VAX. This again requires substantial changes in the book production programs, but we are optimistic and envisage no delays in the schedule.

CINDA 94 is envisaged to be published again in the form of a cumulative issue, covering the years 1988-1994. The estimated sales price of CINDA 94 would be around 750 AS per copy, that is around 350 AS for the bulk order.
