Subject: CINDA publication schedule for 1997

Please find attached the proposed schedule for the preparation of the CINDA book which had to be coordinated with Ramon's schedule and the necessity to avoid the IAEA General Conference.

CINDA97 is envisaged to be published again in the form of a cumulative issue, covering the years 1988-1997. You will be informed about the sales price as soon as it will be known. However, I am afraid that the distribution list of free copies will have to be reviewed again.
