249020 Obninsk, Kaluga region
Russia

DATE : 03 February 2000

To: Distribution

From: S. Maev (alias: S.Mayev)

Subject: Correspondence of EXFOR 8-AREA Numbers series to the
ordinary EXFOR 4-AREA Sequence.

Having in mind uniformity of Area-4 EXFOR Entries numbering, we decided to gather all CONVERTED (and some of them stii existing) 8-number series Entries to the ordinary Area-4 number system. After inspecting the total list of Series-8 Entries contained in EXFOR-1999 CD-Rom Data Base we found two 8-Entries not still converted to 4-Series, namely 80303 and 80511. After converting them we decided to represent the total list of converted works - and their corresponding 4-Series ones - in one document which now is submitted for information - and possible discussion - of the participants of the future AGV Meeting in May 2000.

List of Entries (sorted on 8-Series numbers).
