Subject: Dictionary transmission 9071

Dictionary transmission 9071 is available by FTP from our open area (as usual in 2 formats: TRANS 9071 and in DANIEL backup format, DAN\_BACK.9071). We are sending it on tape to CNDC and on diskette to CJD, CAJaD and ATOMKI. The other centers are asked to, as last time, pick it up from our open area by FTP (no extra e-mail message about this will be sent).
