**Memo CP-D/387**

**Date:** 16 March 2004

**To:** Distribution

**From:** O. Schwerer

**Subject:** **Dictionary 5 additions: Chinese Physics / Chinese Physics Letters**

We propose the following additions to dictionary 5 (Journals):

CPH      3CPR2UK      Chinese Physics  
              published by Chinese Physical Society and Inst.of Physics  
(UK).  
              =Started in 2001 with Vol. 10.  
              =Compare CP (Chinese Physics), translation journal, last  
              volume received at IAEA: Vol. 12 (1992)

CPL      3CPR2UK      Chinese Physics Letters  
              published by Chinese Physical Society and Inst.of Physics (UK)  
              starting with Vol.18 (2001).

**Note:**

We propose to introduce a new code for the revived journal "Chinese Physics" because between the old and new series, the volume numbers are incompatible (also, the second country of publication changed from USA to UK).

CNDC is asked to verify this information. (See e.g. Inst.of Physics website under <http://www.iop.org/EJ/journal/CP>).
