Memo CP-D/411

Date: 3 September 2004

To: Distribution

From: O. Schwerer

Subject: Lab codes 2JPNSAE, 2JPNSHR

Reference: Dictionary transmission 9086, memo CP-E/035

Please ignore the "extinct" flag for the lab code 2JPNSAE (dictionary 3) introduced in the new dictionary transmission 9086. The flag should have been given to 2JPNSHR (memo CP-E/035). This will be corrected in the next update.

No problems in processing should occur because extinct codes (as opposed to obsolete codes) can be used legally in transmissions.
