Memo CP-E/005

Date: May 1, 2002
To: Distribution
From: KATO Kiyoshi
Subject: Institute and Journal Codes

1) The following Institute codes should be marked as Extinct in Dictionary 3:

Dictionary 3 (Institutes)

2JPNSTA Science and Technology Agency, Chiyoda-ku, Tokyo
2JPNHYO Hyogo Agriculture Univ., Sasayama
2JPNLEP Nat. Lab. for High Energy Phys., Oho, Ibaraki

2) The following new Institute codes need adding to Dictionary 3:

Dictionary 3 (Institutes)

2JPNIRS National Inst. of Radiological Sciences, Chiba
2JPNETL Electrotechnical Laboratory, Tsukuba
2JPNKUE Kyoto Univ. of Education, Kyoto

3) The following Institute codes should have correct explanations in Dictionary 3:

Dictionary 3 (Institutes)

2JPNKYU Kyushu Univ., Fukuoka
2JPNHIR Hiroshima Univ., Hiroshima and Higashi-Hiroshima
2JPNNAG Nagoya Univ., Nagoya
2JPN TOK Univ. of Tokyo, Tokyo
2JPN TSU Univ. of Tsukuba, Tsukuba

4) The Journal code MSK/A is now assigned to
- Memoirs of Faculty of Science, Kyoto Univ., Ser.A.

But such a journal does not exist. We find following two journals which have similar titles:

- Memoirs of the Faculty of Science, Kyoto Univ.
Series of physics, astrophysics, geophysics and chemistry Vol. 32(1967)-
- Memoirs of the College of Science, Univ. of Kyoto.,
Series A. Vol. 25(1947-49)-31(1967)

Therefore we have to check the compiled data which refer MSK/A and give correct explanation to this code.
