## Memo CP-E/036

**Date:** March 23, 2004  
**To:** Distribution  
**From:** OTSUKA Naohiko and KATŌ Kiyoshi  
**Subject:** Dictionary 5 (Journals) and 6 (Reports) updates

We propose the addition of the following new codes:

### Dictionary 5 (Journals)

FBS/S	Few-Body Systems, Supplement	2AUS
RI	Radioisotopes	2JPN

Country of publication of FBS is now 2GER in our dictionary. But this journal is published by Springer-Verlag *Wien* (not Springer-Verlag *Heidelberg*).

### Dictionary 6 (Reports)

A-INS-	Univ.of Tokyo,Inst.for Nucl. Study, Annual Report (Extinct on March 1997 due to the close of this institute)	2JPNTOK
--------	---	---------

In our usual manner, this report's code is "A-TOK-". However both Department of Physics and Institute for Nuclear Study (INS) of this university have nuclear experiment laboratories, similar to the relation between Department of Physics and Research Center for Nuclear Physics (RCNP) in Osaka Univ. (2JPNOSA). Annual report of RCNP is coded as "A-RCNP-" in our dictionary.
