## Memo CP-E/039

**Date:** April 7, 2004  
**To:** Distribution  
**From:** OTSUKA Naohiko and KATO Kiyoshi  
**Subject:** Dictionary 6 (Reports) updates

We found incorrect usages of the reports codes for JAERI reports in some preliminary entries (Code for extinct report was used). Present expansions of the codes for JAERI reports in our dictionary may be insufficient for compilers. We propose the following improvements:

### Dictionary 6 (Reports)

JAERI-	JAERI reports	2JPNJAE
JAERI-C-	JAERI Conference proceedings (Note: complete code is JAERI-Conf)	2JPNJAE
JAERI-D-	JAERI Data collection / Computer code (Note: complete code is JAERI-Data/Code)	2JPNJAE
JAERI-M-	JAERI-M reports (Extinct on 1994, continued as JAERI-Conf, -Data/Code and -Research)	2JPNJAE
JAERI-MEMO-	JAERI-memo reports (In 1971 split into JAERI memo (internal) and JAERI-M (published))	2JPNJAE
JAERI-R-	JAERI research report (Note: complete code is JAERI-Research)	2JPNJAE

We have checked applicability of these expansions for all EXFOR and CINDA entries coded with above report codes. Reference codes in entries 20817 and 20818 need corrections:

- 20817: R, JAERI-7545 must be R, JAERI-M-7545
- 20818: R, JAERI-MEMO-5624 must be R, JAERI-M-5624

Further two codes (JAERI-T- and JAERI-V-) are reserved for JAERI-Tech and JAERI-Review series by JNDC CINDA group (Reader N), but have not been used yet.
